George Ballinger passed away in May, he was an ex president of our club as well as being the bar manager , the man in charge of the raffles and fundraising . He also with Bob Arnott took out the tossing pigeons each week, as well as doing work around the club.

His wife is putting his pigeons and accessories up for sale , he raced competitively in this club winning races and Breeders plates, but was also competitive in the races in Melbourne . He sent birds to the WPF sales and Geelong sale amongst others every year and usually collected money from these races. His birds were also competitive in Melbourne with multiple fed placings including 1st fed 350 miles, 3rd Fed 350 miles, 8th Fed Ararat, 19th Fed Railton, 14th Fed Wentworth, 4th Fed Tasmania (only 8 birds home on the day), 3rd fed Murray bridge, 19th Fed Tasmania, 24th Fed Barrington, 6th Fed West Wyalong amongst others.

All birds have been vaccinated for paramyxovirus and pigeon pox.
