Andrew Muirhead commenced racing pigeons in the East Suburban Club in 1974. In 1977 he joined the Hampstead Club and remained there until 2004 when they amalgamated with North Suburban. He has held many positions from Club Secretary to Association Trustee for 16 years and also served on the SAHPA 5 man committee for 6 years. In 2014 he was awarded Life Membership of the SAHPA.

Over the last 41 years Andrew has moulded his own strain known as the 'Bathurst Family' and these birds have proven themselves time and time again on our hard East line. In 2010 he won 1st SAHPA Warrnambool Open and 1st SAHPA Holbrook Open with two full sisters and more recently 1st SAHPA Colac Open in 2013. These birds are all in the sale.

The second family which were introduced in 2006 are the 'Gaby Reference Pair' 2316 x 2334. Sensational is the first word that comes to mind. This pair has proven to be a gold mine especially in the One Loft Adelaide Pigeon Club and also the Adelaide \$10,000.

Andrew has won a total of 10 SAHPA Races and has been winner of the prestigious Association points on 4 occasions. More recently in 2015 flying in partnership as Muirhead & Perkins they managed to finish 5th in the SAHPA points and were awarded 3rd SAHPA ACE Young Bird of the year.

Most of Andrew's birds are now a combination of the crossing of the 'Gaby Ref Pair' x the 'Bathurst Family'. One of Andrew's birds bred in this fashion and purchased by Gavin Harris at our club squeaker sale in 2014 won 1st SAHPA Moulamein Open. A recent addition in 2015 were several birds purchased from Len Colgate/Peter Wortley which trace back to the Harry Jackson family that have flown well on the East line.

A computer generated pedigree is supplied for all birds in the sale.

All birds have been vaccinated twice for PMV. The attempted sexing of 2015 birds was not done, we will leave that to the purchaser.
