*After nearly fifty years in the sport of pigeon racing, starting in 1967 with the West Torrens Juniors, Wayne Myers is leaving the game to move to a new house, and pursue other interests in his coming retirement. In recent years Wayne feels he has not done the birds justice, and feels he has lost interest. This leaves a tremendous opportunity to purchase the pigeons and their offspring that Wayne has spent many thousands of dollars to accumulate.*

*These pigeons are basically from the “Pryor/Goodger” family of birds, and have been pivotal in succeeding in many lofts. To name a few: T McBeath & B Myers, also Caird & Myers in the 80s. P Wortley & B Myers, Burke, Bischoff & Myers (POW), plus Burke, Bischoff, & Monck in the 90s, and for Peter Burke in the 2000s but in recent years for the lofts of Lee Abbott, Keith Bowen, Kos & Bill Markou, and Gavin Harris & Mark Bruggemann. Greg Hodgins Alice birds 1<sup>st</sup> & 2<sup>nd</sup> LDC are a blend of Wayne’s birds & his own. These birds will be an asset to any loft, as they will cross in with most other strains. This will be a fantastic opportunity to obtain some of the best stock pigeons available, at this change of lifestyle sale.*

***NB: In the event of a race holdover the Sale will revert to the Saturday 26<sup>th</sup> August and birds on view at 11:00 a.m. Saturday Sale to start at 12:00 (midday)***

***Refreshments (finger food) will be available on the day.***
