

COMPLETE AUCTION SALE OF THE LATE KEN WATSON

To Be held at the SAHPA Rooms, Boulderstone Rd Gepps Cross on SUNDAY 30th JULY 2017. Birds on view from 12 noon, Sale commences at 1pm Sharp. No birds have been sold prior to the sale.

Ken flew in the Elizabeth club for a number of years with a great amount of success as he has always been a relatively small team flyer only flying around 80-100 birds and keeping only around 10-12 pairs of stock.

Ken's family of birds mainly centred around top pair "Alpha" a cock from his good friend and top fancier Greg Hamilton, Alpha contains the Goodger/Pryor family and "Uluru" who was on loan from Alan Agar via P Trzeciak and contained Horseman & Goodger lines. This top pair produced Ken's favourite hen "Last Chance" an outstanding winner of the 2011 SAHPA LDC event from the famous Alice Springs 1300 km by a clear margin of well over 2 hrs. A sister also gained 3rd SAHPA Coober Pedy and this family have knocked out an impressive list of SAHPA places from all distances for Ken over the past 5-6 seasons.

Ken's loft underwent the Rotavirus in late March 2017 and he unfortunately along with many top birds lost his pride and joy the Alice winning hen "Last Chance" as you will see from the catalogue she is well represented and in recent times Ken has paired her to Tim Fawcett's top producer Goldmine Shiraz (son Grange) and this year loaned back Uluru to mate with Alpha, who is also no longer with us but again their progeny are well represented. A very sad moment for Ken who was battling illness at the time.

Ken had also in recent years obtained birds from his good friend Greg Hamilton and often cared for Greg's birds when he was away. Anyone who knew Ken could comment on how well he cared for his birds and his lofts and yard were always immaculate and in A1 condition.
